SWACHH SURVEKSHAN GRAMEEN 2022
Introduction

The Department of Drinking Water and Sanitation had commissioned “Swachh Survekshan Grameen-2022” (SSG 2022) through an independent survey agency to develop ranking of all districts of India on the basis of sanitation (swachhata) parameters. The scope of the survey included assessment of public places like schools, Anganwadis, PHCs, Haat/ Bazaars, Panchayat, households, waste management assets, service level progress of 14 indicators and citizen’s perception of Swachhata. To build credibility the Ministry specifically also launched an intensive awareness campaign.
Objectives

OBJECTIVES OF SWACHH SURVEKSHAN GRAMEEN 2022:

- Foster a spirit of healthy competition
- Rank districts and states
- Ascertain the progress of Swachhata on ground.
- Evaluate the implementation of SLWM in the GPs.
- Encourage large scale citizen participation
- Compare performance of the districts & states.
- Engage and solicit their feedback from citizens

Coverage

33 States & UT

- 24,610 Village Level Waste Management Assets
- 17,548 IEC locations assessed for ODF + & SSG 2022
- 17,559 Villages
- 709 Districts
- 1,000+ Assessors worked on the ground
- 1,75,521 Household observation
- 1,78,736 Face to Face Citizen feedback
- 87,560 Face to face interactions with key informants
- 16,654 Anganwadi centres
- 16,797 Government schools
- 5,778 Haats / Baazar
- 8,042 Health Facilities
- 14,977 Religious places
- 9216 Public Place Others
- 14408 Panchayat Bhawan
- 5.13 crore + Citizen feedback received via mobile APP & Web
**Highlights**

**CITIZEN FEEDBACK**

- **84.0%**
  - Citizens feel that the sanitation situation has improved in their village since Swachh Bharat Mission started in 2014.

- **68.4%**
  - Citizens are satisfied with the SLWM work being implemented in their village.

- **63.8%**
  - Citizens reported that LWM works have been initiated in their village to manage liquid waste under SBM 2.0.

- **62.7%**
  - Citizens reported that SWM works have been initiated in their village to manage solid waste under SBM 2.0.

- **88.5%**
  - Citizens have said that all households in their village have access to toilets.

**SERVICE LEVEL PROGRESS (SELF ASSESSMENT REPORT)**

- **81.8%**
  - 81.8% districts have completed the Baseline Survey using Mobile App.

- **89.1%**
  - 89.13% districts have allocated 25-30% of 15th FC funds to activities related to sanitation establishment of ODF Sustainability Cell (ODF-S Cell).

- **88.2%**
  - 88.2% districts have developed an integrated plan for end-to-end management of plastic.

- **96.2%**
  - 96.19% districts have dedicated staff for Solid & Liquid Waste Management.

- **54.8%**
  - 54.8% districts have started ODF Plus implementation in 100% of their blocks.
DIRECT OBSERVATIONS

95.4% Households were found to have access to toilet

94.6% Households were aware of Safe Menstrual Hygiene Practices

74.6% public places have access to toilets

93.1% Minimal Stagnant water within the premise of Public Place

84.2% Minimal Littering within the premise of Public Place

24.0% of surveyed villages have community level composting arrangement

32.9% Arrangement for door to door/fixed point waste collection

35.7% villages have community level soak pit/Magic pit/Drains/Waste Stabilization Pond

35.2% Common place/shed to store solid waste

Top Performers

TOP THREE STATES AND UTs

Telangana 01

Haryana 02

Tamil Nadu 03

Andaman & Nicobar Islands 01

Dadra and Nagar Haveli & Daman & Diu 02

Sikkim 03

AMONGST THE LARGER* STATES

AMONGST SMALLER* STATES AND UTs

* States and UTs are classified as large if the population is more than or equal to 30 lakh and small if the population is less than 30 lakh

Jagtial 02

Bhiwani 01

Nizamabad 03
TOP STATES BY ZONES AND UT

State of HARYANA ranked top most state in North
State of SIKKIM ranked top most state in North East
State of CHHATTISGARH ranked top most state in East
State of TELANGANA ranked top most state in South
State of MADHYA PRADESH ranked top most state in West
ANDAMAN & NICOBAR is the top ranked Union Territory

CITIZEN PARTICIPATION USING MOBILE APP

UTTAR PRADESH is the state with maximum participation via Mobile App & Web portal
KANPUR DEHAT is the district with maximum participation via Mobile App & Web portal

Quality Control

100% Real time check on the geo coordinates of the sample village
A supervisor accompanied the interviewer in 5% of the interviews.
3% back-checks were done by State Managers
5% back-checks and accompaniments by State Coordinators
100% check on the interviewer selfie at the village
National QA team did a 3% random back check
Parameters of Evaluation

The ranking of the districts and villages was done on the basis of their performance on the following parameters.

**CITIZEN FEEDBACK (350 MARKS)**

- Citizen (150 Marks) & Key Informants (150 Marks)
  - Household’s access to toilets (40 Marks)
  - SWM work initiation (40 Marks)
  - LWM work initiation (40 Marks)
  - Improvement in sanitation situation (15 Marks)
  - Satisfaction with SLWM works (15 Marks)

- Participation of the Citizen (50 Marks)
  - ≥ 5% individuals (50 Marks)
  - 3-5% individuals (30 Marks)
  - 1-3% individuals (10 Marks)

**DIRECT OBSERVATION (300 MARKS)**

- Households (150 Marks)
  - Access to toilet (35 Marks)
  - Regular usage of toilet (35 Marks)
  - Safe disposal of solid waste (30 Marks)
  - Safe disposal of liquid waste (30 Marks)
  - Women awareness on MHM practices (20 Marks)

- Village (90 Marks)
  - Solid waste storage (10 Marks)
  - Liquid waste disposal (20 Marks)
  - Solid waste disposal (15 Mark)
  - Waste collection setup (10 Marks)
  - Menstrual waste disposal (15 Marks)
  - IEC display: SSG 2022 (10 Marks)
  - IEC display: ODF Plus (10 Marks)

- Public Places (60 Marks)
  - Access to sanitation facility (20 Marks)
  - Minimal littering (20 Marks)
  - Minimal stagnant water (20 Marks)
### SERVICE LEVEL PROGRESS (350 MARKS)

#### Self-Reporting by Districts: (150 Marks)
- District annual action plan (5 marks)
- 15th FC & ODF Plus orientation (5 Marks)
- Local guidelines for ODF plus (5 Marks)
- Baseline survey completion (5 Marks)
- Preparation of GPDP (7 Marks)
- 25-30% fund allocation for sanitation (8 Marks)
- Activities for solid, liquid & plastic waste (10 Marks)
- Integrated plans for FSM and plastics (20 Marks)
- >30% blocks with plastic management units (15 Marks)
- Initiation of FSM infrastructure (10 Marks)
- Dedicated staff for SLWM at district (14 Marks)
- 100% blocks with block coordinators (6 Marks)
- 100% blocks have started ODF Plus implementation. (40 Marks)

#### SBM (G) I-MIS Reporting: (200 Marks)
- > 80% Financial reporting physical progress (15 Marks)
- ≥ 90% ODF Second verification (15 Marks)
- > 5% of villages with SWM Works (50 Marks)
- > 5% of villages with LWM Works (50 Marks)
- > 80% of villages with ODF Plus IEC (35 Marks)
- At least one ODF Plus village in every block (35 Marks)
