**Subject: Clarification regarding utilisation of funds for IEC & Capacity Strengthening and Admin components upto 3% and 1% of the total funding for programmatic components under Swachh Bharat Mission (Grameen)– reg.**

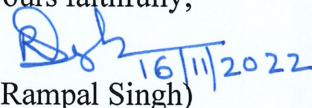

Madam/Sir,

I am directed to refer to the above subject and to say that references have been received from some States requesting that the 3% and 1% ceiling for IEC & Capacity Strengthening and Admin components respectively should be considered against the annual allocation of the State under SBM(G) instead of annual expenditure.

2. In this regard it is clarified that the States/UTs can utilize the funds IEC & Capacity Strengthening and Admin components upto 3% and 1% respectively against the annual allocation under SBM-G subject to that the States/UTs will have to ensure that the total expenditure on IEC & Capacity Strengthening, and Admin components during the total five years period of the programme remains within the prescribed ceiling of 3% and 1% of the total expenditure out of SBM(G) funds for all the programmatic components. Further, emphasis will be given on Capacity Strengthening vis-à-vis IEC.

3. This is issued with the approval of competent authority.

Yours faithfully,
