

# ODF Plus Declaration and Verification

29 Jul 2020

# SBM-G PHASE II – Activities

---

## For ODF Sustainability (ODF-S)

- ✓ Addressing any gaps in toilet coverage and ensuring that no one is left out
- ✓ Continued IEC for behavior change
- ✓ Capacity Strengthening: All Sarpanches, Swachhagrahis to be retrained

## For Solid and Liquid Waste Management (SLWM)

### Biodegradable Waste Management

- Composting: Vermi/Pit/Nadep
- GOBARdhan at district level

### Plastic Waste Management

- Storage Facility at Village level
- Material Recovery Facility at District/Block level

### Grey Water Management

- Soak Pits
- Ponds: WSP
- Drainage Channel

### Fecal Sludge Management

- Co-Treatment
- Trenching
- FSM Plant

# Guiding Operating Principles for SBM G Phase II

---

**1**

**Ensuring No one left Behind**

**7**

**Operation and Maintenance integral to planning**

**2**

**Community Assets for SLWM to be prioritized**

**8**

**Encouraging technologies with low O&M Cost for SLWM**

**3**

**Utilization of existing SLWM infrastructure**

**9**

**Flexibility to States in choosing Technology options best suited to local needs**

**4**

**SLWM Reuse to be promoted**

**10**

**Clustering of Villages for maximum economic efficiency**

**5**

**Convergence with other schemes primarily 15<sup>th</sup> FC and MGNREGS**

**11**

**Priority to villages on Ganga and other water bodies**

**6**

**Developing Business Models**

# SBM-G PHASE II Goal is to achieve ODF Plus Villages

Sustainability of investments made, and benefits achieved so far

Ensuring holistic cleanliness of villages with solid and liquid waste management

An ODF Plus village is defined as a village which sustains its Open Defecation Free (ODF) status, ensures solid and liquid waste management and is visually clean.

# Planning for ODF Plus Villages – States and Districts

1

Identification of villages which are close to achieving ODF Plus status as per [Annexure XII B](#)

2

In the identified villages, capturing status of current ODF Plus assets

3

Based on gaps identified, necessary steps to be taken for SLWM/CSC/IEC

4

After closing gaps, geotagging to be completed for all community SLWM assets, ODF plus IEC messages and CSCs

5

Self declaration of GP/village to be ODF Plus after due diligence by Sarpanch/Panchayat Secretary by uploading the [certificate](#) in IMIS through **PM05** module

6

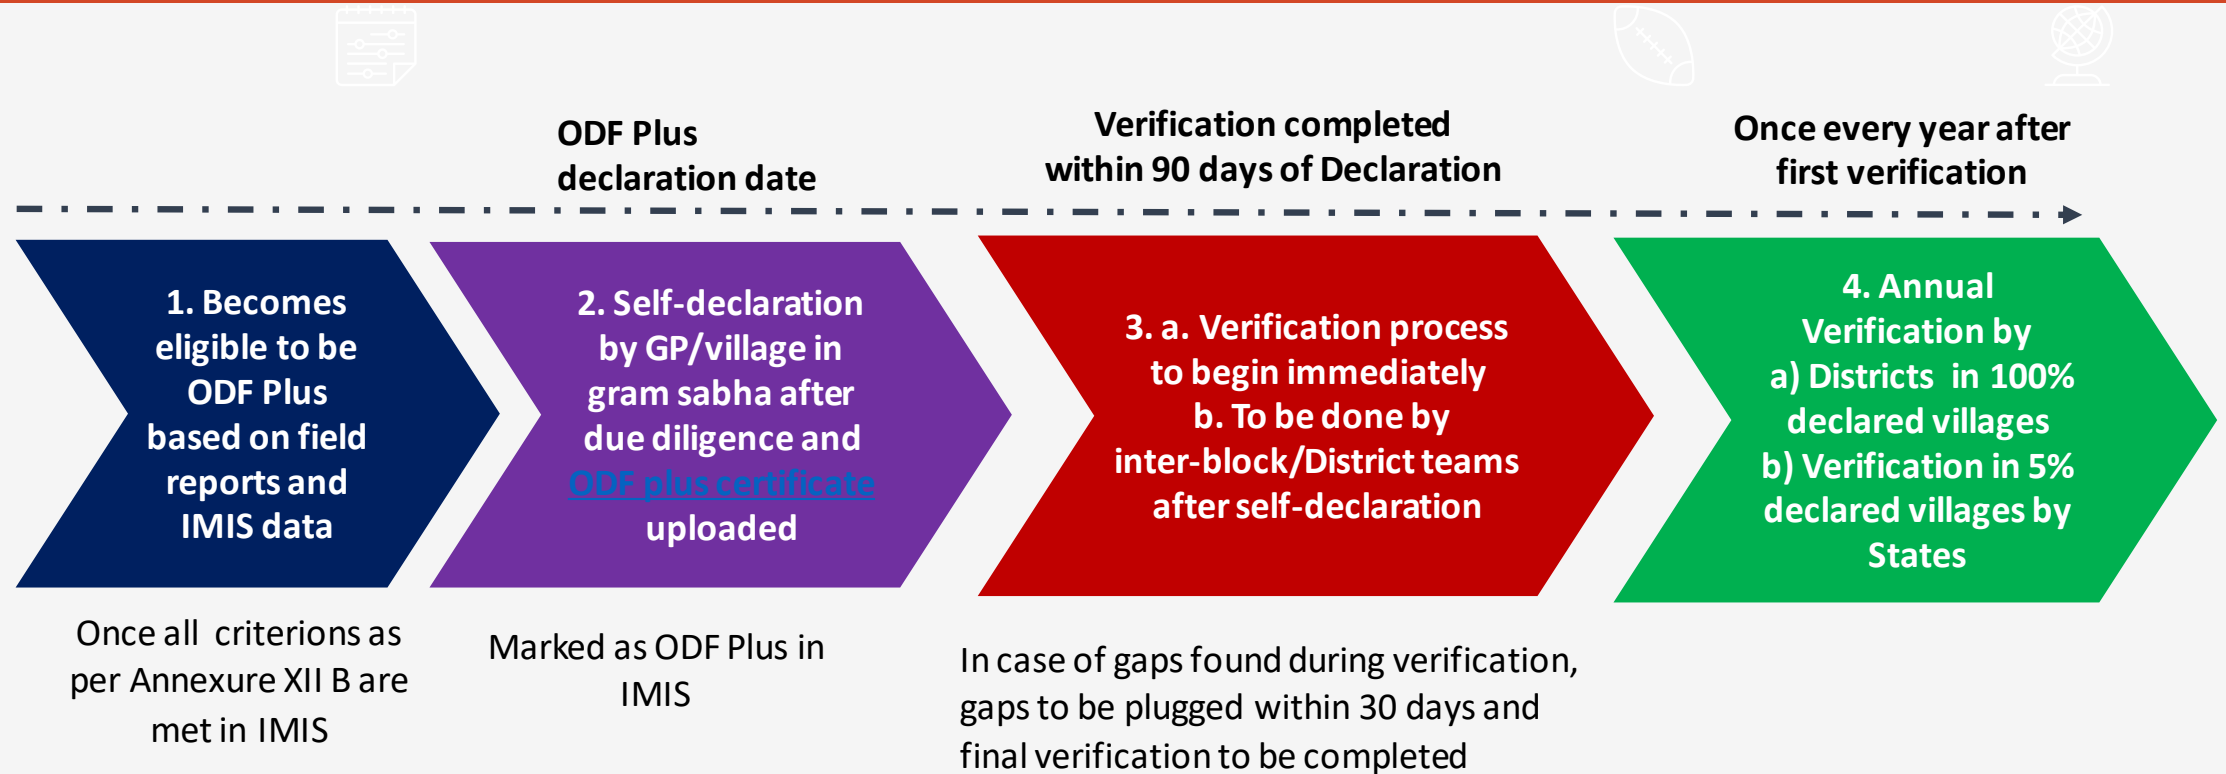

ODF Plus verification to be completed within 90 days of declaration

# Requirements for ODF Plus Village Declaration Process as per Annexure XII B

# ODF Plus Village Declaration and Verification timelines

- The 90-day window between declaration and verification is meant for completing verification and addressing any gaps found during verification
- If any gaps are found during the verification process, they must be plugged within 30 days, and only after this should the village be marked as verified by the authorized personnel on the IMIS
- The State may choose the means of verification – **State’s teams or a third party**

# Self Declaration format for ODF plus GP/Village

Swachh Bharat Mission (Grameen)  
Gram Panchayat ODF Plus Certificate

I,  
\_\_\_\_\_, Sarpanch/Up-  
Sarpanch/Pradhan/Mukhiya of \_\_\_\_\_ Gram  
Panchayat, \_\_\_\_\_ District, \_\_\_\_\_ State,  
and I, \_\_\_\_\_, the Panchayat Secretary,
